

# **“Education is not preparation for life; education is life itself”**

**– John Dewey**

Rockwood School follows guidelines set by the Central Board of Senior Secondary Education (CBSE). Each student benefits from a complementary skill set and classes in Language Arts, Mathematics, Science, Social Studies, Physical Education, Visual and Performing arts.

The curriculum at Rockwood School, Noida, is designed to enable students to develop critical skills necessary for success in the real world by incorporating experiential learning and multi-disciplinary teaching methods. The core tenet behind our curriculum at Rockwood School design is recognising the fact that learning is a dynamic process and each student learns differently. Students are encouraged in their individual area of interest while being exposed to a multitude of topics, scenarios, and situations to help them become competent and capable learners.

English is the medium of instruction and is taught as the first language. Hindi and Sanskrit are taught as a second & third language. As per CBSE Directive, all teaching is done in bilingual mode to enable better learning for students.
